EVAN CHARLES

SUMMARY

Evan is a fresh graduate from Glints Academy Batch 6 who is taking the Full-Stack course. He started his progamming experience by learning HTML, CSS and Bootstrap from some source at youtube. During Glints Academy, he is mainly studying ReactJs and Node.js. For his final project, he completed a project called "Evenity" focusing on the Front-End Development.

LANGUAGE

English – Intermediate
Bahasa Indonesia – Native Speaker
Mandarin – Advanced

ACADEMY REPORT:

MENTOR	Amirul Fatta / Michael Tamsil					
Parameter	**Skill Description**	**Mentor Scoring**		**Parameter**	**Skill Description**	**Mentor Scoring**
1	Laptop Configs (Linux, Chrome, VS Code)	6		30	React State & props	5
2	Github Config	6		31	React router DOM	5
3	Basic terminal	6		32	React hooks	5
4	Collaboration on Git	6		33	React form	5
5	Markdown	6		34	Formik	5
6	HTML basic	6		35	React component lifecycle	6
7	CSS Basic	6		36	React useEffect	6
8	Design system	6		37	Rest API with fetch	6
9	Deployment (Github pages, netlify)	6		38	React hooks advance	5
10	Google font	6		39	Create API	6
11	UI design with Figma	5		40	Express JS	6
12	Computer Logic thinking	6		41	Postman/insomnia	6
13	Javascript Basic (variable, data type)	6		42	Body parser	6
14	Advance Git (Gitignore)	6		43	Express generator	6
15	Javascript basic (Looping, conditional, operator)	6		44	CORS	6
16	Global method (string number)	6		45	Deploy API to Heroku	6
17	Global Method (array)	6		46	API with MVP	6
18	Web Storage	6		47	Environment in Node	6
19	JSON	6		48	Create app in MongoDB	6
20	Javascript functions	6		49	Connect API to React	6
21	Date object JS	6		50	NodeJS using Mongoose	6
22	This function on JS	6		51	Express with MySQL	5
23	Node basic	6		52	Express with Sequelize	5
24	NPM basic	5		53	Sequalize Migration	5
25	JS Modules	5		54	bcrypt	5
26	Asynchronous programming	5		55	JSON webtoken	5
27	JS AJAX	6		56	Multer	6
28	JS Fetch	6		57	Redux	5
29	react styling	5			React Native	

Note:

Empty score (-) meaning the student has not received the material

SCORE	324	
AVERAGE	5.68	
RANK	2	

Add-on Parameters		
Parameters	**Description**	**Mentor Scoring**
1	*Critical Thinking*	6
2	*Learning Agility*	6
3	*Communication Skills*	6
4	*teamwork & Collaboration*	6
5	*Preserverance*	6

Summarize	
Strength	**have good design thinking on web**

Scoring Scale					
Non-Existent	**Bad**	**Below Average**	**OK**	**Good**	**Excellence**
